

Capalaba Greyhounds Safety Policy 2025

Track

No unauthorised people permitted in catching pen while a trial or race is being conducted – Trainers/Catchers only permitted in catching pen once the greyhounds have passed the catching pen gate

Staff and Lure Driver to ensure there are no staff, trainers, catchers on or near the ctr wire before a trial or race is about to commence

Lure Driver, Wheel Operator & Starter to be on high alert when the return arm is running. The Lure Driver, Wheel Operator and Starter to always watch the Return Arm when in motion

Starter to ensure trainers with or without greyhounds are NOT near the rail side of the track when the return arm is running in any direction

Trainers Catchers Owners are NOT permitted to step over safety rail (inside rail) at any time, the return arm operates on this rail

During a race or trial the Wheel Operator is to be on high alert at all times and watch where they are standing to avoid injury

Only authorised Wheel Operators permitted in or in front of the wheel house when there are trials or races being conducted

All trials including slips (Short or long) must enter the track via the Starting Boxes gate only. Do not step over the safety rail (Inside rail) at any time
